I, Chris Tape, willingly and voluntarily give this statement to Officers Sanchez & Sandoval who I know to be a member of the Albuquerque Police Department. I understand that I do not have to give a statement and any statement I do give can be used in a court of law if necessary.

STATEMENT

On two occasions I used a belt on my girlfriend's daughter in order to discipline her. These instances were one week apart. On the first occasion I gave 6 slaps with the belt to her bottom. On the second occasion I gave 12 slaps with the belt. Both times my girlfriend's daughter had her pants + panties down. I felt + rubbed her bottom after the second occasion only to assess if I had melted her bottom in any way but her seriously. At no time was my clothes off. At no time did I touch my girlfriend's daughter's genital area. In no time in the past three have I even touched my girlfriend's daughter on her genitals or other wise. I was under the impression that when my girlfriend said I could discipline her daughter, it included use of the belt if needed. Previously I had learned that my girlfriend disciplined her daughter with a belt and with pants panties down. When I discipline my girlfriend's daughter I felt I was within her standard set by her mother.
